

Lecker Bricks Apfel getreidefrei

Makupalat

Our Lecker Bricks Apple grain-free offer a tasty reward, even for horses with sensitive metabolisms. The grain-free Lecker Bricks contain little starch and sugar. High-quality raw materials such as apple pomace, linseed meal and sunflower meal also support digestion. Feeding with a reduced grain and sugar content is essential, especially for horses that tend to be overweight or struggle with metabolic problems such as EMS, PSSM, Cushing's disease or laminitis. After all, even horses that are only allowed to receive limited amounts occasionally deserve confirmation.
