

Uncle Pet Premium Rabbit Muesli

Rabbit Feed

Supplementary feed for rabbits

Our Uncle Pet Premium Rabbit Muesli is an appetising supplementary feed for all rabbit and dwarf rabbit breeds. With all the natural goodness of fermented herbs and carrots, it can help to strengthen your rabbit's immune system. At the same time, it provides many essential plant-based nutrients. Its coarse structure with long fibres encourages chewing, which helps to support correct dental attrition. Thanks to the addition of our Eggersmann Micro-Herbs, a fermented plant extract made from a variety of wild, medicinal and aromatic herbs, this muesli is extremely easy to digest, and therefore ideal for feeding rabbits with recurring intestinal problems.
