Körnerpick Grain Feed Basic

Grain Feed

Complementary feed for poultry

Our Grain Feed Basic is made of the best regional ingredients, is GMO-free and provides a palatable basic feed for your chicken. Because of the particularly gentle processing methods that are used, the grains are left whole. This gives the feed its coarse texture, which is ideal for satisfying your chickens' natural pecking instinct. Our Grain Feed Basic can be combined with the Flour Mix Oregano and is also suitable for feeding poultry such as geese and ducks.

The benefits at a glance:

- GMO-free chicken feed
- particularly tast
- large grains to satisfy the natural urge to pec
- also suitable for poultry such as geese & ducks

Ruokintasuositus:

Feeding recommendation:

To cover the daily nutritional demand of your poultry, combine Körnerpick Grain Feed Basic in ratio 1:2 with laying mash or laying pellets.

during the laying period:
per chicken/duck: approx. 120 g of ready-made feed per day
per goose: approx. 350 g of ready-made feed per day

Differences in breed and weight have to be considered.
Körnerpick Grain Feed Basic should be served daily in addition to enough fresh drinking water.
