

Volaris GRAINball XXL

Fat Ball

Our high-energy Volaris GRAINball XXL combines many popular ingredients, such as sunflower seeds, oat flakes and peanuts, in a high-quality mix that is suitable for all kinds of birds. Because of its size, it is a wholesome and substantial food source, ensuring that the birds in your garden are provided for around the clock. Our GRAINball XXL is a perfect supplement for adding variety and flavour to wild bird food.

The benefits at a glance:

- for all species of birds
- with sunflower seeds, wheat flakes and peanuts
- for year-round feeding

Raaka-aineet: ohra, vehnähiutale, Öljyt ja rasvat, kalsiumkarbonaatti, Corn (broken), auringonkukansiemen, vehnä, Maapähkinä
