Carnebello Beef Tail

Dog Snacks

Feed material for dogs

Eggersmann Carnebello Beef Tail is a natural, pure chewing snack which is highly digestible and offers a nutritional rich complement to your dogs´ daily meal. It naturally includes cartilage and the small, not splinting bones of the tails, causing a high mineral content which supports your dogs joints effectively. As no additives are used in our dog treats and it is a single source protein product, you can feed it without risks to sensitive dogs. Our Carnebello Beef Tail provides a long lasting chewing experience while it is helping to keep your dogs teeth clean. Due to the carefully drying process of our Beef Tail, it is characterized by a high protein and mineral content. Your dog will love to chew Carnebello Beef Tail as a tasty and healthy chewing treat.

Feeding recommendation:

Our Carnebello Beef Tail is no complete feed for daily use, but you can offer it several times per week to support the dental hygiene of your dog.
Please don´t forget to offer enough fresh drinking water and even if beef tail are generally considered safe, never feed without supervision, to ensure your dog doesn´t swallow the whole last bit and choke.

As we are offering a completely natural product, the chews may vary in colour, form or size.
